CAREER OBJECTIVE:

Motivated final-year BTech student in Computer Science and Engineering with a robust foundation in front-end web development, data structures, algorithms, and database management. Seeking an opportunity to leverage my expertise in HTML, CSS, Bootstrap, PHP, JavaScript, SQL, and C++ in a dynamic and innovative environment. Committed to delivering high-quality solutions and continuously enhancing my technical and soft skills, I aim to contribute effectively to impactful web development projects. Proven track record in teamwork and leadership through academic projects and extracurricular activities, including representing my college in cricket tournaments.

EDUCATION:

B.Tech in Computer Science and Engineering   **(2021-25)**

Satyug Darshan Institute of Engineering and Technology-Faridabad,Haryana

Senior Seconday Education   (80%)   **(2020)**

USCD DAV Public School-Maharajganj ,Bihar

High School (91.4%)   **(2018)**

USCD DAV Public School-Maharajganj ,Bihar

Projects:

- **"StudyNotion" – Edtech Platform:**

StudyNotion is an Edtech platform built with the MERN stack, designed to enhance student learning, streamline teaching, and simplify admin tasks. It features secure user authentication with JWT and OTP, and custom middleware for Student, Instructor, and Admin roles, ensuring robust performance and a seamless user experience.

- **"Fitpro"-A fitness exercise website**

Developed FitPro, a comprehensive fitness exercise website that provides tailored workout plans, exercise tutorials, and nutritional advice. The platform features an intuitive user interface designed to enhance user experience and support individuals in achieving their fitness goals.

- **"Portfolio Website"**

Currently developing a portfolio website to showcase my projects, skills, and professional achievements. The site will feature a modern, responsive design, highlighting my expertise in front-end web development, data structures, and algorithms, along with detailed information on completed projects such as FitPro and a tourism website.
